Dual Enrollment Verification

Boston College will award placement fulfilling University Core requirements if the follow criteria are met

- 1. The course was taken at an accredited college or university with a college transcript sent directly to us from that institution.
- 2. A grade of B or better was earned in the course.
- 3. The course was taken on college campus with a college professor and with other college students either during the academic year or over the summer.
- 4. The course was used to supplemential school coursework and did not fulfill high school graduation requirements.

BostonCollegedoesnotacceptualenrollment courseworkfor credit. Students must request a college transcript be sent directly to admission@bc.edu from the institution that ponsored/offered the class.
